Chapter 1 by Pasty

My name is Anais Granger. I'm wanted in three states, dead or alive, and I'm only 17.

I've been living off the streets of New York for as long as I can remember. It was hard at first but it gets to be easy when you've been in the game for as long as I've have. It also helps to be part of the black market.

I found Bulldog, the head of it all, when I was 15. He took me in under his wing and made me his apprentice. If anything happens to him, I'm pretty much the new Bulldog. The other guys have been in the business for years and aren't the type of people you want to mess with. There's Bulldog, me, the guys, and then there's Tim.

Tim is just a 12 year old who found me going on my regular stealing routine before showing himself. I took him in, just like Bulldog did to me. There's only one thing that Tim has that I don't. He's had a family to go home to ever since the first day we met.

I care about Tim, and I know he feels the same about me.
